

Manufacturing Specialist - Assembly

ACP, Inc. has immediate opportunities available for Assembly Manufacturing Specialists. ACP, Inc. (formerly Amana Commercial Products), is a division of the ALI Group and a leader in providing high speed cooking solutions to the foodservice industry.

The assembly team associates perform repetitive work station or line assembly operations by following standard work, assembly directives, and prints. Will inspect, assemble and install parts in commercial cooking equipment components; use various electrical, hydraulic and air operated hand tools and equipment; operate hand trucks and hand jacks; and perform quality inspection of parts and units.

Requires high school graduate or equivalent; solid work history including experience in a related assembly or manufacturing environment; ability to communicate effectively both verbally and in writing; and ability to exhibit good judgment related to safety, quality, cost and delivery of parts, processes and product.

ACP offers a 1st shift 4/10's work schedule with Fridays off, excellent compensation and benefits package with a starting wage of \$13.60/hour, and the opportunity to work with an established company in a new facility.

Applications will be accepted at the Iowa Workforce Development Center in Cedar Rapids or you may visit our website for an application. Complete and return application via mail, fax or e-mail to the address below:
