### New Reversible Cook Plate for XpressChef 3i

## Smarter by Design

Introducing the new CPI0 Cook Plate for the XpressChef 3i (MRX): Engineered to ensure the same outstanding cooking performance with a smarter, reversible design. PTFE feet fully isolate the cook-plate from the oven floor and walls and help to ensure optimum positioning inside the cavity.

Permanently affixed PTFE feet prevent arcing  
(Feet fully isolate the grill plate from the cavity walls)
