

# XpressChef™ 2c

The all new, better, faster baker.

## VENTLESS HIGH SPEED OVEN

- Bake fresh more often. Increase customer satisfaction and sales
- Cooks a wide range of menu items faster and to perfection—Pizza, Pies, Pastries, Breads, Casseroles, Baked Vegetables, and more
- Excellent ROI—Comparatively low cost, high return
- Easy to operate, own, clean and maintain
- Ventless—place the oven anywhere and lower operating expenses too (also available without ventless feature)
- ACP Menu Management app and Smart USB (no special formatting required) standard equipment

Exceptional warranty and service support.  
Backed by ACP ComServ—the best 24/7/365  
service and support in the business.
